

What Will You Create?

+

•

○

1. Take a Break
2. Profanity Editor
3. Move Database

Comfort Level

- Difficulty level would skyrocket
- Learning Curve

+

•

○

What should you know?

Prerequisites:

- If Statements
 - ❖ [Tutorialspoint: If-Else Blocks](#)
- While Loops
 - ❖ [Tutorialspoint: Loops](#)
- Functions
 - ❖ [Loyola University: Defining Functions](#)

Somewhat Familiar Ideas

- Using Functions

New Ideas

- Classes & OOP
